From The Pro

We are fully into golf season now, the grass is green, the weather is warm and there are lots of new members at the Brickyard. For the new members, we welcome you and look forward to meeting and getting to know everyone. If you are looking for groups to play with, I will do my best to determine personalities, abilities, and what you are looking for on the golf course. If you are looking to play in tournaments, we have a full slate of events that can be found on the website or in the locker room. All events have net & gross winners and we have a Handicap Committee that works to ensure all member handicaps are accurate. I am happy to answer any questions or to assist you in any way. Thanks and welcome to the Brickyard.

Golf News & Events

From The Golf Course Superintendent

I hope everyone is enjoying the warmer temperatures; this means that our Bermuda grass is finally growing in. We are in full swing with the weekly maintenance program for the greens. This entails verti-cutting, double cutting, top-dressing, and brushing/rolling. Most of this work is done on Monday to minimize disruption of play. The mowing height of the greens has been lowered and our program will keep them smooth and in optimal playing conditions.

Many small projects have been completed on the course such as cart path repairs, tree removal, new sod planted, new tee markers and flags/flagsticks. Work continues on more necessary improvements.

As the membership grows, the cart traffic increases, so please be very mindful of the 90 degree and Cart Path Only rules. Please do not cross the white lines adjacent to the greens.

I hope to see everyone out enjoying the course.

Sixes/Round Robin

In a foursome, you change team partner on every 6 holes. Each 6 hole rotation is a separate bet.

5-3-1

That is the total points awarded on every hole & each point has a monetary value. For three-somes, each player wins something on every hole. The low scorer gets 5, next lowest gets 3 and the highest scorer gets 1.

Let's Make It Interesting

Check out these options for playing games within your group

Skins

A skin is low score on a hole, but the fun part comes with ties. That's when the skin for that hole carries over to the next & can be won in combination with that hole's low score.

Nassau

Only 3 bets in this game; low score on the front 9, low score on the back 9 & low total score. The "Nassau" bet can be as much as you want, but \$2 is popular. This game is high reward for low risk.

Ladies' Book Club

Join us for our Ladies' Book Club! The club will be meeting Tuesday, June 19th at 5:30pm. It is open to all Brickyard members!!

In Liza Mundy's prodigiously researched and engrossing new book, "Code Girls: The Untold Story of the American Women Code Breakers of World War II," she describes the experiences of several thousand American women who spent the war years in Washington, untangling the clandestine messages sent by the Japanese and German militaries and diplomatic corps. At a time when even well-educated women were not encouraged to have careers — much less compete with men to demonstrate their mastery of arcane, technical skills — this hiring frenzy represented a dramatic shift. The same social experiment was simultaneously unfolding on the other side of the Atlantic. The British debutantes and their middle-class peers recruited to work at the secret Bletchley Park code-breaking operation came to outnumber the men.
