Golf Course Superintendent News

Hole #13

Briane Faletto Class A Golf Course Superintendent

Azaleas are blooming, birds are chirping!!! It must be Spring!!!! The course is starting to fill in from the cold winter months. By the end of the month we should be green again. The course has been completely fertilized and pre-emerge has been applied.

We have completed a lot of tree removal and the limbing up of trees throughout the course. We have some small trees yet to take care of. We got a little behind on this because of the wet winter but we have slowly been drying up and are able to get more completed.

We will be starting with some irrigation work, raising of some greens heads and repairing some that are not working. If you see us working around the greens or in the fairways, please be patient with us.

We will slowly start lowering our mowing heights this month back to the designated heights. We are mowing roughs at an inch and a half, fairways and tees at a half inch. The greens height is always being adjusted depending on the conditions. Our goal is to stay around 10 on the stimp meter to provide the best overall playing experience.

See you on the course!!!!

Brickyard Ladies Book Club

Ladies' Book Club

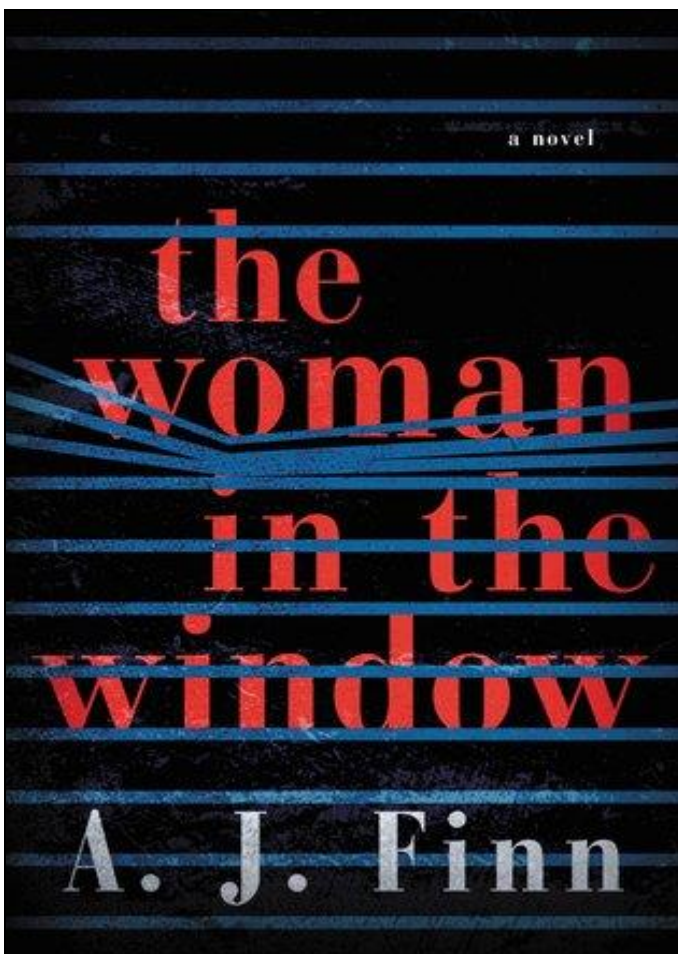

Join us for our Ladies' Book Club! The Book Club will be meeting Tuesday, April 2nd at 5:30pm. "Beautiful Invention" by Margaret Porter will be featured. This is a novel of Hedy Lamarr, and Ms. Porter will be joining the group for a discussion of her work. The next meeting will be in May featuring "the woman in the window" by A.J. Finn.

"the woman in the window" by A. J. Finn

Anna Fox lives alone—a recluse in her New York City home, unable to venture outside. She spends her day drinking wine (maybe too much), watching old movies, recalling happier times . . . and spying on her neighbors. Then the Russells move into the house across the way: a father, a mother, their teenage son. The perfect family. But when Anna, gazing out her window one night, sees something she shouldn't, her world begins to crumble—and its shocking secrets are laid bare.

What is real? What is imagined? Who is in danger? Who is in control? In this diabolically gripping thriller, no one—and nothing—is what it seems.

Pro Shop News

Brickyard Members,

Seems just like yesterday we started 2019 and now we are onto the month of April. The grass has started to turn green, flowers are blooming, the pollen is falling, and the Masters is right around the corner, golf season has started!

With the beginning of golf season means new members and more play. With more play we need to make sure that everyone is making their tee times so that we all can enjoy this great course. There are several ways to make a tee time, first option would be to call the Pro Shop and speak to us to book your time. Option 2 would be to make your time online thru the Brickyard website. By making tee times and sticking to them we are better able to serve you the members properly (having plenty of carts/range balls, etc).

We also have some DEMO Days set up for this spring, Mizuno will be here Friday, April 26th, Taylor Made will be here Friday, May 3rd and Titleist will be here on Friday, May 10th. This will be a great time to check out the new products from these companies and see if they can help out your game.
