Golf Course Superintendent News

Briane Faletto, GCS

Class A Superintendent

Happy Easter and welcome to Spring!!! With the spring temperatures rising, the course is finally greening up after a dreary winter. The greens are going through a rough transition from winter, but we are working hard to get them filled in and smooth. We are fertilizing, topdressing to keep them smooth, and rolling. Please be patient with us as we will have them rolling smooth and true very soon.

We will slowly start lowering our mowing heights this month back to the designated heights. We are mowing roughs at an inch and a quarter, fairways and tees at a half inch. The greens height is always being adjusted depending on the conditions. We try to maintain a stimpmeter reading of 10.

We are planning to get a few more projects done this spring, so keep looking out for more improvements.

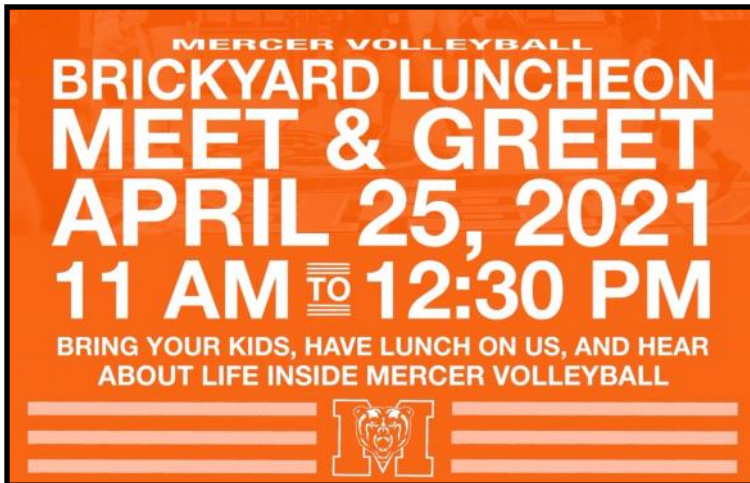

Thank you,

Briane Faletto, GCS

Class A Superintendent

We hope to see everyone on the course!!!
