Please note our policy while there is lightning nearby. For the safety of our members and their guests, when lightning is within a 5 mile radius, the Pro Shop will send a message to your cart letting everyone on the premises know that the course will be closed at that time. Everyone must leave the course once they have been notified.

The clubhouse and the pavilion are your safe haven.

Thank you for your cooperation.

# GOLF COURSE NEWS

## Good News

In response to our member's request, the golf course will remain open until 9pm. Please cooperate and be off the golf course promptly at 9pm. The Pro Shop staff will greatly appreciate it. The range will continue to close at 7:30pm Tuesday-Saturday and at 5pm on Sundays. This allows for proper preparation for setting up the range the following day and it also allows for regular mowing.

In the month of August, we will continue to implement all our summer maintenance plans. Verti cutting greens, top dressing greens, weekly spray applications, along with an aeration on the 2<sup>nd</sup> and 3<sup>rd</sup> August. This aeration will not be as aggressive, and the holes will not be as big as the May aeration. We will top dress with a medium damp top-dressing sand and fill in all holes. This helps the greens heal faster and provides a smoother putting surface. A granular fertilizer will be applied days before the aeration process starts to push the greens to grow in faster and help drive roots deeper.

All other areas of the course we will continue to work on and try to improve. Things like adjusting irrigation heads to achieve better coverage and spraying weeds outside of the playing areas. Spraying weeds inside the playing areas along with PGR's. Maintaining a weekly mowing schedule for all our Bermuda grass.

By the time our Club Championship comes around we anticipate all aspects of the Brickyard Golf Course to be at a Championship level. I would also like to thank all of my maintenance staff for their hard work to produce the best conditions for our members.

Thank You

Rusty Hill

The summer is winding down and the kids are headed back to school.

The Individual Hutch Cup is scheduled August – September. We will have a Gross Division Bracket and a Net Division Bracket. Signups started July 6<sup>th</sup>; we have a few openings remaining. Matches will begin August 17<sup>th</sup> and will have a two-week completion time.

The Club Championship will be August 27-28. Signups will begin August 7. The Junior Club Championship will be held in October. Details on the Junior Club Championship will be in the next month's newsletter. We will be hosting a Hurricane Junior Event on December 12 which is sponsored by Under Armour. Details in the upcoming September newsletter.

**SAVE THE DATE!!!** The Member Guest will be held October 7-9, 2022. Save the date and plan to play in the Brickyard's Premiere event. Signups will begin August 7.

The August lady's clinic will be on Tuesday August 16<sup>th</sup> at 10am and Saturday August 20<sup>th</sup> and will begin at 10:30am. Both clinics will last one hour. Cost is \$20 per session.

The Brickyard PGA Junior Golf was a great success. We had 24 juniors, 7 girls and 17 boys, in the program. It was a 4-month program that included instruction and 2-person scramble competition against Houston Lake Country Club and Southern Landings Golf Club. I want to thank the juniors, all the parents, grandparents, the Mercer University Men's golf players and my staff for all their time and help with the program. We hope to improve on the 2022 program and make the 2023 program even better. We will start it up again in April of 2023.

Brand New EZ-GO Elite Lithium Battery golf carts with Pace 7EX GPS will arrive between September 11-October 9<sup>th</sup> this year. To keep our carts free from damage, we have a new process in place beginning in August. Please sign the bottom of your cart receipts. This states that you will take care of the carts and are responsible for any damages and the missing bag cooler should you use one. This new process with a few enhancements will condition the members so that when the new carts arrive, it won't be a surprise.

Please remember to call or cancel online your tee times if you're not using. Tee Times can be made 10 days out by either calling the golf shop or by reserving a tee time at our website. We've noticed an improvement during the past few months on members signing in at the golf shop. Thank you. Please continue signing in at the golf shop before going onto the course. Make sure that when reserving your tee time, either through calling the golf shop or online, you book it for one, two, three, four or five players. This ensures that other members don't book on your tee time when you're expecting more players than what is booked.

Lastly, check out the Brickyard website for information and utilize the member login tab. It allows you to make online tee times, view the tee sheets 10 days out and much more. If you need help setting yours up, see the front office ladies and they will get you set up.

See you at the course!

**“We Were the Lucky Ones” by Georgia Hunter**

It is the spring of 1939 and three generations of the Kurc family are doing their best to live normal lives, even as the shadow of war grows closer. The talk around the family Seder table is of new babies and budding romance, not of the increasing hardships threatening Jews in their hometown of Radom, Poland. But soon the horrors overtaking Europe will become inescapable and the Kurcs will be flung to the far corners of the world, each desperately trying to navigate his or her own path to safety.

As one sibling is forced into exile, another attempts to flee the continent, while others struggle to escape certain death, either by working grueling hours on empty stomachs in the factories of the ghetto or by hiding as gentiles in plain sight. Driven by an unwavering will to survive and by the fear that they may never see one another again, the Kurcs must rely on hope, ingenuity, and inner strength to persevere.
