Romania, 1989. Communist regimes are crumbling across Europe. Seventeen-year-old Cristian Florescu dreams of becoming a writer, but Romanians aren’t free to dream; they are bound by rules and force.

Amidst the tyrannical dictatorship of Nicolae Ceaușescu in a country governed by isolation and fear, Cristian is blackmailed by the secret police to become an informer. He’s left with only two choices: betray everyone and everything he loves—or use his position to creatively undermine the most notoriously evil dictator in Eastern Europe.

Cristian risks everything to unmask the truth behind the regime, give voice to fellow Romanians, and expose to the world what is happening in his country. He eagerly joins the revolution to fight for change when the time arrives. But what is the cost of freedom?

# GOLF COURSE NEWS

During the month of May most of our focus on the golf course maintenance side will be focusing on greens health. On May 4<sup>th</sup> and 5<sup>th</sup>, we will be Aerifying Greens with hollow tines to pull cores out of the ground and replace with clean sand. This process helps relieve compaction, removes built up organic matter, and helps the root systems of

the greens thrive. Healthy root systems result in better growth and coverage on the surface of the greens. With everyday mowing and rolling of the greens they get compacted and seal off. The sand filled holes will provide air and water channels for healthy roots to seek. The process of aerifying is one of the most important things to do to have great greens year-round. We have already applied multiple fertilizer applications and expect a speedy recovery and great greens in a few weeks.

As for the rest of the course Fairways are being mowed twice a week along with Tees and Approaches. The Rough is being mowed once a week and native areas are mowed as needed. This will be our summer mowing schedule unless a change is needed. All Bermuda grass has had a heavy Spring application of fertilizer. Towards the middle of May, we will begin our Plant Growth Regulator (PGRs) applications. These apps will help keep the fairways and other areas full and dense with out having too much growth and grass clippings everywhere.

Please continue to repair ball marks and fill divots. During aerification this is important as well. Thanks, Rusty Hill

# Golf Shop News

The weather is warming up and so is the golf season.

The golf shop will be honoring this Mother's Day Golf Promotion the entire month of May. Each mother will receive one complimentary round of golf during the month of May. Come out with your husband, family or your golfing buddies and enjoy the course. The greens will be in better condition towards the end of the month if you would like to wait. You can book your tee time 10 days in advance.

When it comes to buying golf clubs, Custom Club Fittings, which are a member benefit, are the way to go when it comes to hitting quality golf shots while gaining distance. Taylor Made will be returning on May 27<sup>th</sup> from 10am-2pm. We will be taking signups at the Golf Shop.

Puma for ladies has arrived in the golf shop. FJ apparel should be arriving this month as well. FJ shoes are in stock as well as golf gloves and Titleist Golf Balls. Golf bags, Nexbelts, Wedges, Asics, Puma, FJ and Nike golf shoes have arrived in the golf shop. Hats will arrive this month if the shipping remains as stated, we should be well stocked in the golf shop for all your needs. We can make special orders as needed. The May lady's clinics will be on Tuesday May 24<sup>th</sup> at 11am and Saturday May 28<sup>th</sup> at 10:30am. Both will last one hour., and the cost is \$20 per session.

To provide a better experience for you and your guests, we have a professional sign adjacent to the Practice Facility posted with the hours of operation. This will allow plenty of time for practice, a safe environment for hand picking and more time for our staff to pick up balls that are needed for the next day. Your cooperation is greatly appreciated.

The Brickyard Junior Golf Camp will be Tuesday-Friday, June 28-July 1 from 9am-11am. The cost is \$200 for Member's and their family members. It covers instruction, camp t-shirt and daily refreshments. Call or signup at the golf shop. The Brickyard PGA Junior Golf League has begun, and practices are on Thursdays from 4pm-6pm. The Season started April 1 and runs through July 31. We will reach out to Houston Lake and Southern Landings that are having a PGA Junior League and schedule home and home matches during the season. Match schedule will be announced this month.

Please remember to call or cancel online your tee times if you're not using. Tee Times can be made 10 days out by either calling the golf shop or by reserving a tee time at our website. We've noticed an improvement during the past few months on members signing in at the golf shop. Thank you. Please continue signing in at the golf shop before going onto the course. Make sure that when reserving your tee time, either through calling the golf shop or online, you book it for one, two, three, four or five players. This ensures that other members don't book on your tee time when you're expecting more players than what is booked.

Lastly, check out the Brickyard website for information and utilize the member login tab. It allows you to make online tee times, view the tee sheets 10 days out and much more.

See you at the course, Derek Lafferty, PGA Head Golf Professional
