A man wearing a white polo shirt with a small pattern, a dark baseball cap, and a watch is smiling and holding a large, ornate silver trophy. The trophy has a plaque that reads "BRICKYARD MEN'S CLUB CHAMPION". Behind him is a large leaderboard with handwritten scores. The leaderboard is divided into two columns. WOW, I can't believe the month of June has come and gone already. I hope everyone has planned to join their friends and family poolside at the Brickyard for the July 4th celebration on Saturday July 6th.

The golf course has recovered from the greens aerification procedure at a very fast pace. Thank You Brian and the entire maintenance staff for a job well done. Heading into the month of July I hope everyone will find a partner and sign up for the Par 3 Tournament on Saturday, July 13th, 2019. This Par 3 Tournament will be a very fun event for all participants, SIGN UP TODAY! The Dixie Classic Invitations are now available in the golf shop and available for you and your partner to register for this event as well.

NEW ARRIVALS – During the month of July there will be several new arrivals for different brands of merchandise in the golf shop. Polo, Divots and PUMA shirts are on the way. We are also going to stock the PUMA golf shoes as well. We recently just received a new shipment of the Foot Joy brand shirts as well. Please visit the golf shop in the near future and checkout the new merchandise. The new Club Car golf carts will also be arriving onsite in early July. The new carts will have the GPS feature on all the carts. The new GPS information on the golf carts is a very nice feature to have during your round of golf. I know we all are going to enjoy benefits of the GPS System during our future rounds of golf played at the Brickyard Golf Club. We have had a very positive response from members and guests who have played a round of golf recently and enjoyed the new GPS experience during their round.

Golf Tip – My personal belief is that there are five fundamentals that all good players have in common. Not all good players hold the club the same way and not all good players take the club back the same way. There are five fundamentals that I prefer all golfers to focus on to improve their game. If you have good alignment, good balance, good ball position, good position of the club at the top of your backswing and you can swing the club to a good follow through position you can hit good shots. These five fundamentals are very common among all good players. If you build your golf swing and master these five fundamentals your distance and accuracy will improve immediately. Call the golf shop at 478-477-6765 if you have an interest in scheduling a golf lesson to start improving your game today.

I would like to personally say "THANK YOU" to everyone at the Brickyard Golf Club for making me feel so welcome during my first month. Everyone has been so sincere and genuine with their kindness. I am very thankful to be the new Head Golf Professional at the Brickyard Golf Club and appreciate this opportunity more than you will ever know. Many Thanks,

Jim Bishop

Golf Course Superintendent News

Briane Faletto Class A Golf Course Superintendent

I hope everyone is enjoying the summer on the course. It is growing good and we are staying busy maintaining it. We were able to get some great maintenance practices done last month. We were successful in aerifying the greens, tees, and collars. This task is essential to help promote healthy turf. We will be getting the fairways done starting on July 1st. We had to delay this due to lack of rain and mechanical issues. We are focusing on the drainage issues in fairways. We will be using a machine that will have 3/4" tines, 10" in length. This will help us get sand down deeper into the soil profile helping with the drainage. This process will take 2 to 3 days. Please be patient with us for a few days.

Please remember to follow the cart traffic rules while playing. With our membership increasing, we need to be more careful about where we take the carts. Remember to stay off the green complexes by staying behind the white lines and use the 90 degree rule and stay on the cart paths for as long as possible.

Hope to see you on the course!!!!

Ladies' Book Club

Join us for our Ladies'
Book Club!

The Book Club will be meeting
Tuesday, July 23rd at 5:30pm.

"The Glass Castle" by Jeannette Walls will be featured. The book to be featured on August 27th at 5:30pm is "Unexampled Courage" by Richard Gergel.

Please come out for fun,
friendship and fellowship.

The Glass Castle by Jeannette Walls

A tender, moving tale of unconditional love in a family that, despite its profound flaws, gave the author the fiery determination to carve out a successful life on her own terms.

Jeannette Walls grew up with parents whose ideals and stubborn nonconformity were both their curse and their salvation. As the dysfunction of the family escalated, Jeannette and her brother and sisters had to fend for themselves, supporting one another as they weathered their parents' betrayals and, finally, found the resources and will to leave home.

What is so astonishing about Jeannette Walls is not just that she had the guts and tenacity and intelligence to get out, but that she describes her parents with such deep affection and generosity. Hers is a story of triumph against all odds, but also a tender, moving tale of unconditional love in a family that despite its profound flaws gave her the fiery determination to carve out a successful life on her own terms.

For two decades, Jeannette Walls hid her roots. Now she tells her own story.
