Golf Course Superintendent News

Brian Faletto, GCS

Class A Superintendent

I hope everyone is enjoying the spring temperatures finally. They are definitely helping to get the grass growing. I can honestly say that April was the most stressful month in my 20+ year career! Thank you for being patient and understanding as we work hard to get things back on track and make The Brickyard THE best golf course around. As Mr. Hutcheson said in his message, we are working diligently to obtain the standard you expect.

We are finishing up the drainage project on #7 to help alleviate any issues moving forward. We have installed new catch basins and added more drain tile to carry the water off the path and rough. On #13 we installed a new irrigation head next to the cart path to help get water to the Zoysia grass to the right of the path. A lot of golf balls end up in that area and this will help keep a better stand of grass. We have put new Zeon Zoysia sod on #4 and #12 green tee boxes as they were getting really thin. They should be ready for play very soon. Again, thank you for being patient.

Brian Faletto, GCS

We hope to see everyone on the course!!!
