"Attachments" by Jeff Arch October 12th 5:30pm

The story opens under perplexing circumstances as Henry Griffin, dean of a prestigious boarding school in Pennsylvania, faces an unexpected medical emergency, he inexplicably calls out for two people: Piccolo and Goodman. Better known as Pick and Goody, these men were students at Griffin's school nearly two decades earlier. So why would Griffin appear to be summoning them now? What could possibly be so important that their names are foremost in his mind amidst a crisis, when he fails to mention even his wife or son?

Join the Brickyard Ladies Book Club on Tuesday, November 16th at 4:30pm and meet Danny Arnold in person. He is the author of Bad Cat Jones:

Former Slaves Pioneering Journey West.
