# Golf Course Superintendent News

**Hello members of the Brickyard, my name is Rusty Hill and I'm the new superintendent of the golf course. First off, I would like to thank everyone for being so welcoming to the Brickyard. Currently on the golf course, we are working on all areas of the course, but really focusing on Greens.**

**On June 15<sup>th</sup> we sprigged all of the bad or thin areas of our Greens. The sprigs came from Pike Creek Turf in Adel, GA. Pike Creek has only the purest of TifEagle Ultradwarf Bermuda grass.**

**The process of sprigging for us was spreading sprigs on the ground, planting them and cutting them in with a special set of tines on the aerator. Next, we rolled the sprigs flat and top-dressed with sand and lastly water, water, water.**

**The sprigs are being mowed with a specific mower set up only for those areas. All other areas of the greens are being mowed at a lower height of cut. We are also treating each area of every Green differently at this time, to ensure the best ball roll and speeds while you are playing. The goal is to have 100 percent coverage by the end of July.**

**Thanks for your patience and I look forward to  
meeting everyone out on the course.**

## Practice Facilities Renovations & Improvements

We are very happy to announce that the Practice Range and the Practice Putting Green will be undergoing renovations beginning the first of August. The Practice Putting Green will be enlarged and will be twice its current size. The teeing area of the Practice Range will be reshaped and significantly enlarged. Southeastern Golf, Inc of Tifton, Georgia will be conducting the renovations.

This improvement will take approximately a month to complete and should be completely usable by October 1st. This project was already planned earlier in the year and we are committed to making it happen in spite of the golf course work on the greens. These practice facility improvements will cost approximately \$110,000 and are another example of delivering on our mission to return the resources back to the golf course and all facilities.

Thank you for your patience during the renovation period.

*August 24th at 5:30pm “Call the Midwife”*

*At the age of twenty-two, Jennifer Worth leaves her comfortable home to move into a convent and become a midwife in post war London's East End slums.
