*The Brickyard Ladies Book Club read "Sunrise" by Jacquelyn Cook in January. It is full of Macon history revolving around the Hay House. Melissa Orrison, Book Club member, is a docent at the Hay House, so the group took a personal tour of the Hay House. Some of their spouses attended, as well. The field trip was enjoyed by everyone!!*

# Superintendent News

March is here and it looks like warmer weather is as well. On the Maintenance side of the golf club, we are being patiently optimistic. What this means is that we are not going all in on fertilizer applications on the Bermuda grass just yet. Instead, we are using low rates of fertilizer to slowly wake the grass up, just in case that dreaded late frost comes. Greens are looking good and coming out of dormancy nicely. Last month I sent off soil samples from every green and our nutrient levels and PH balance look to be right where they should.

With the warmer temperatures we are starting to mow all the grass areas. Mowing these areas removes the dead leaves and thatch from the plants allowing new growth to emerge. This also allows sun and water to get directly to the newer growth areas for faster green up. Currently, we are not dropping the Height of Cut on the greens. We are mowing more frequently and in different patterns. On Fairways, we have lowered the HOC to .500 (1/2") which is our standard Spring and Summer time HOC. On the Rough, we are starting out at 1.25" and remain here for most of the year.

A few other things we will be working on are: venting a few areas of some greens to improve water management, light topdressing to improve the quality of ball roll on greens, and some irrigation repair to get ready for the year. The maintenance staff has stayed hard at it this off season and I'm excited to get the growing season started.

Thank you all for playing here and remember, please fill those divots and  
repair all ball marks. Rusty Hill

Golf Season is upon us, and we are excited to announce several items that will enhance your member experience here at the Brickyard.

Custom Club Fittings will be featured this month on the first 3 Fridays. We'll start off with Mizuno, followed by TaylorMade and finishing with Ping. We had a great response from the membership and nearly all the fitting times are reserved. We will be taking walk-ups, just be patient and flexible with your time and we'll get you fitted. This is a Member benefit, and we will be giving 10% OFF on all fitting day orders. A Club Member with Pro Shop Credit Book balance who has placed an order through the golf shop; will have their Credit Book balance carried over past March 30<sup>th</sup> to pay for their order.

The Golf Shop will have a few Big Sales this month on in-stock merchandise. Going on now is Callaway Golf Glove Sale = Buy 3 Get 4<sup>th</sup> FREE. The Outerwear Sale = 50% OFF will begin March 14th. Donald Ross Sport will be arriving around March 10th in the golf shop; we will have Men's and Women's apparel. We are introducing several styles, a good size run and at a good price point for our club membership. Donald Ross Sport is one of the leading apparel lines in the private golf club industry.

The 2 Man Hutch Cup takes place March 4 – July. 32 Teams will compete in a single elimination four-ball match. March 18<sup>th</sup> features the Toughman Tournament, and we are currently taking signups. We will begin Couples Golf and will have the first fun event in May, details will be in the coming newsletters. Here is some kickoff information for the Brickyard PGA Junior League. We had an outstanding 2022 PGA Junior League, and we anticipate our 2023 League to be even better. Registration will begin March 3, 2023. Girls and Boys 15 and under are welcome to sign up. The entry fee will be \$200 per junior for members and \$300 per junior for non-members, which goes to the PGA Golf Staff "Derek Lafferty & Blair Mitchell & other instructors". There will be golf instruction, on-course golf practice, introduction to the rules of golf, weekly, home and away matches against Houston Lake Country Club and Southern Landings just to name a few, various program expenses and end of season Pizza Party. The PGA Junior League has a one-time \$99 registration fee per player in addition, that each family will be responsible for completing online. Registration is at [www.pgajuniorleague.com](http://www.pgajuniorleague.com). The season will be April 1, 2023, through July 31, 2023. The Player & Parent meeting will be held Sunday, March 12<sup>th</sup> at 3pm in the Clubhouse. The 1<sup>st</sup> Practice will be held Thursday, April 6<sup>th</sup> from 4-6pm.

The March Ladies Clinic will feature two this month and are being held on Saturday, March 11<sup>th</sup> and Tuesday, March 14th, beginning at 11am and lasting one hour. The cost is \$20 per session. Golf lessons are available for club members either by a single lesson or through a lesson package. See Derek or Blair for details.

As a reminder, please continue to utilize the Brickyard Member Login to view and make tee times. You are allowed to make tee times 10 days in advance. Please remember to book all the slots to ensure that other club members don't book on top of your time when you are expecting a threesome, foursome or fivesome. We hope you are enjoying the new EZ-GO golf carts. Please continue to check in the golf shop, sign your receipt for your golf cart and match up the key number with the cart number. The system is working out great and we appreciate your help with this important part of being a club member.
