## SUPERINTENDENT NEWS

On the Course at the Brickyard we are working on maintaining greens as they are. We have great coverage and good ball speed across the board. Weed management is working as planned and all necessary Fertilizer and Lime is being applied. In May, 2021 soil samples were sent off and the PH balance on all Greens were low. I am happy to report we just received our current soil sample results, and all the Greens PH are in balance with where they should be.

If you have been out to the course in the last two weeks you may have seen the new Putting Green either covered or the mats rolled up beside it. This is a precautionary action only to protect this Green from the extreme cold nights. The Putting Green is doing well, and we don't want it to go backwards. When you play golf this time of year remember the grass is not actively growing, please help us out by taking different routes with your carts and repair divots and ball marks. Thank You.

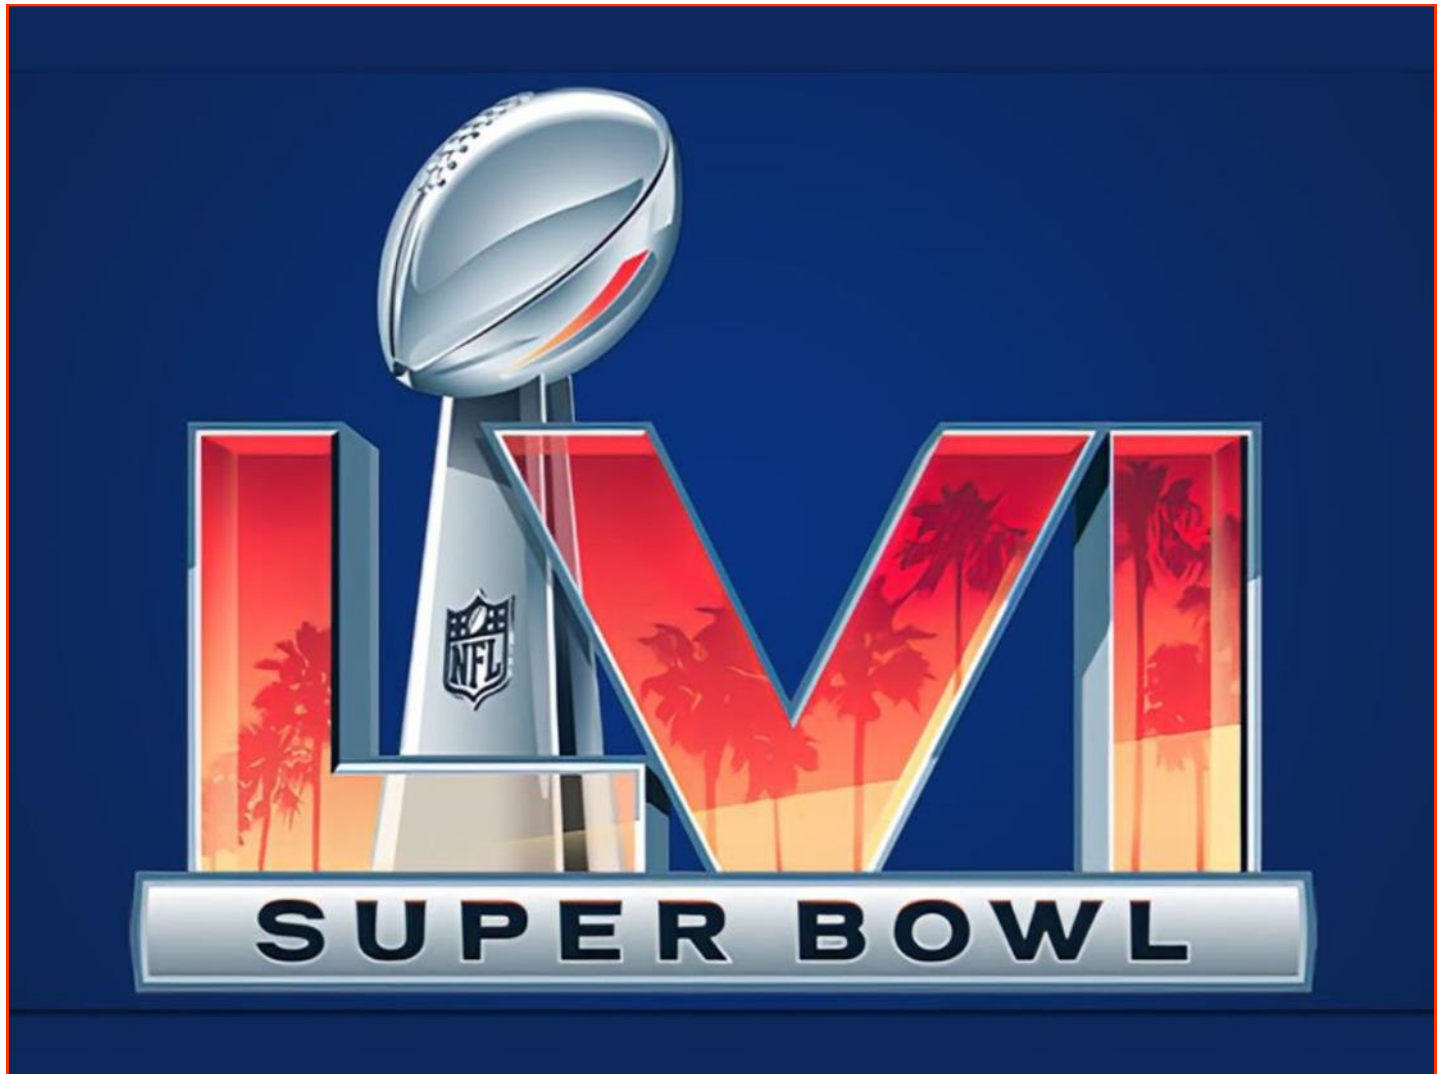

In the coming weeks we will be spraying the course preventively for weeds. We will be putting out wetting agents on Greens to manage the optimum moisture levels. Also, we will be working in beds and all other aspects of the course. I look forward to a great year and hope to see you on the course.

Thank you,

Rusty Hill

# Golf Shop News

Hello Club Members,

We hope everyone had a great month of January.

The month of February should be our last cold month before we head into the golf season. The cold frost delays have made for us to hold mid-day shotguns on the weekends for January and February. We should be in the clear for March and going forward.

Blair and I attended the **2022 PGA Merchandise Show** the last week of January. Even though it was about half the size, we were able to meet with several apparel vendors and select what we think fits our membership. We selected Antigua. The merchandise is a great quality and it's a price point which is just a bit lower than FJ. We were able to get Blair registered for the **PGA Associates Golf Management Program**. Here, he will complete over the next several years, the necessary book work needed to become a PGA Member. We also met with the PGA Junior League leadership team and The Brickyard Golf Club is registered as a 2022 Facility. Details below.

Here is some kickoff information for the **Brickyard PGA Junior League**. Registration will begin March 1<sup>st</sup>, 2022. Girls & Boys 13 and under are welcome to sign up. The entry fee will be \$200 per player for members and \$300 per player for non-members which goes to the PGA Golf Staff "Derek Lafferty & Blair Mitchell", for golf practice instruction and on-course golf practice. The PGA Junior League has a one-time \$99 registration fee per player in addition that each family will be responsible for completing online. Season starts April 1, 2022, through July 31, 2022. The **Player & Parent Meeting** will be Sunday March 6<sup>th</sup> at 3pm in the Clubhouse. The 1<sup>st</sup> Practice date will be announced along with the Practice Schedule at the Player & Parent Meeting.

We are looking forward to a wonderful season with you all. February 13<sup>th</sup> will feature the **Super Bowl Scramble**. February 8<sup>th</sup>, the golf shop will start accepting signups for the **Hutch Cup 2-Man Teams**. This event will start March 1<sup>st</sup> and run through September. The **February Ladies Clinics** will be on Tuesday February 8<sup>th</sup> & 22<sup>nd</sup> beginning at 11am and lasting 1 hour. The cost will be \$20 per session. Please call the golf shop to sign-up. Golf Lessons are available for the membership either by a single lesson or through a lesson package.

As a reminder, please continue to sign in at the golf shop when arriving for your tee time. Also, if you're not going to use your tee time, please Cancel your tee time either by calling the golf shop or by Cancelling it online at our website. This will allow other Club Members to book that time if desired. Tee times can be made 10 days out by either calling the golf shop or at our website. When reserving your tee time, please make sure you book it for one, two, three, four or five players. This ensures that other club members don't book on your tee time when you're expecting more players than what is booked.

Happy Golfing, Derek Lafferty, PGA Head Golf Professional

*“The Door in the Wall” by Marguerite De Angeli.*

*The bells clang above plague-ridden London as Robin lies helpless, cold, and hungry. The great house is empty, his father is fighting the Scots in the north, his mother is traveling with the Queen, and the servants have fled. He calls for help but only the stones hear his cries. Suddenly someone else is in the house, coming towards Robin. It is Brother Luke, a wandering friar, who takes Robin to St. Mark's Monastery, where he will be cared for until his father sends for him.*

*At last, a message comes--Robin is to meet his father at Castle Lindsay. The journey is dangerous, and the castle is located near the hostile Welsh border. Perched high in the hills, the castle appears invincible. But it is not. Under the cover of a thick fog the Welsh attack the castle. And Robin is the only one who can save it.*
