Monthly Payment Policy

Payments on membership accounts are due by the 10th of each month. Any unpaid account at the end of each month will incur a finance charge of 1.5% of the total balance due and a \$25.00 late fee will be billed to the account. If accounts are 60 days past due, the club shall suspend the members charging privileges. If accounts are 90 days past due, the club has the right to terminate the membership.

Brickyard Management

Please note our policy while there is lightning nearby. For the safety of our members and their guests, when lightning is within a 5 mile radius, the Pro Shop will send a message to your cart letting everyone on the premises know that the course will be closed at that time. Everyone must leave the course once they have been notified.

The clubhouse and the pavilion are your safe haven.

Thank you for your cooperation.

“The Berlin Candy Bomber” by Gail Halvorsen

Gail S. Halvorsen, a U.S. military pilot known as the “Candy Bomber” who, during the Cold War, dropped sweets from his plane to German children in West Berlin, passed away on February 16 at age 101, report Colleen Slevin and Kirsten Grieshaber for the Associated Press (AP). He died in his home state of Utah after suffering a brief illness. His funeral took place this week in Provo, Utah.

Remembered in Germany as *Der Schokoladen Flieger*, the Chocolate Flyer, Halvorsen first served as an Army Air Force pilot in World War II, flying transport planes in England, Italy and North Africa, reports Angela Cullen for Bloomberg in the Boston Globe. After the war, when Soviet Union leader Josef Stalin occupied West Berlin in 1948, Halvorsen participated in the Berlin Airlift, a joint military effort between America and the United Kingdom to deliver food and aid to the German city.

A Message from the
PRESIDENT

I am proud to announce that effective February 1st, Rusty Hill will be the General Manager of the Brickyard at Riverside. While I will remain President, he will be taking over all of the club's operations. There comes a time when the old need to step aside and let the more youthful take over. There is no doubt in my mind, Rusty can handle the added responsibilities without having any detrimental effect on the condition of the golf course. This decision was made only after detailed discussions with Rusty about the job responsibilities and he expressed confidence that he could do the job. I am confident also and will be here to support him in every way. I hope you will congratulate Rusty and give him the support I have enjoyed the past seven years. Ed Hutcheson

During the month of February out on the course we will be working on clean up. Everything from weed control to grass clippings to wash-out areas. With all the rain we have

had in the recent months, our preemerge has run its course. The good news is that this was expected with all the rain and the majority of the golf course has already been sprayed out and treated, with just a few areas remaining. You may see me out on the course on Cart Path only days spraying. This is because its more important to time these applications correctly and repair any tire damage, if necessary.

With the grass clippings, we will be raking and blowing Tee tops. Also, on Fairways we will drag with our grooming mat and blow behind that. These steps are important to get the fertility and weed control applications to where they benefit the plant the most. This provides a better playing surface for our members.

Greens are looking good and rolling nicely. We are continuing our fertility, fungicide, and weed control plan on them and mixing in wetting agents, as needed to balance moisture. Soil samples will be sent off in the coming weeks to assure we are on schedule and heading in the right direction to have a great year. The PH balance is one of the most important aspects of the soil for golf course greens and the last samples sent off had us right where we need to be.

Thank You all for playing at the Brickyard and remember
please fill your divots and repair your ball marks.

Rusty Hill

Golf Course Superintendent & General Manager

Golf Shop News

The month of February should be our last cold month, before we head into the golf season. January recorded nearly 9 inches of rain. This month we may have cold mornings, forcing us to have delayed starts and possible shotgun starts if needed. Communication from the golf shop will be delivered via emails to our membership. We should be clear in the month of March.

Blair and I attended the 2023 PGA Merchandise Show the last week of January. The show seemed to be back to full scale like pre-covid years. We were able to meet with several apparel vendors and select what we think fits our membership. We selected Donald Ross Sport collection to add to the golf shop. We are introducing several styles, a good size run and at a good price point for our club membership. Donald Ross Sport is one of the leading apparel lines in the private golf club industry. We expect to see this in our golf shop by early March 2023.

Here is some kickoff information for the Brickyard PGA Junior League. We had an outstanding 2022 PGA Junior League, and we anticipate our 2023 League to be even better. Registration will begin March 1st, 2023. Girls and Boys 15 and under are welcome to sign up. The entry fee will be \$200 per junior for members and \$300 per junior for non-members, which goes to the PGA Golf Staff "Derek Lafferty & Blair Mitchell & other instructors". This includes golf instruction, on-course golf practice, introduction to the rules of golf weekly, home and away matches against Houston Lake Country Club and Southern Landings just to name a few, various program expenses and end of season Pizza Party. The PGA Junior League has a one-time \$99 registration fee per player in addition, that each family will be responsible for completing online. Season starts April 1, 2023, through July 31, 2023. The Player & Parent meeting will be held Sunday, March 12th at 3pm in the Clubhouse. The 1st Practice will be held Thursday, April 6th from 4-6pm.

We are looking forward to a wonderful golf season with you. February 12th will feature the Super Bowl Scramble. February 14th, the golf shop will start accepting signups for the Hutch Cup 2-Man Teams. This event will run March through August. Fitting Days are set; TaylorMade will be Friday March 10th and Ping will be Friday, March 17th from 11am-4pm. Mizuno and Titleist will be our other two club fitting vendors and their dates will be announced in the coming days.

The February Ladies Clinic will feature one this month and it will be held on Saturday, February 18th beginning at 11am and lasting one hour. The cost is \$20 per session. Golf lessons are available for the membership, either by a single lesson or through a lesson package. See Derek or Blair for details.

As a reminder, please continue to utilize the Brickyard Member Login to view and make tee times. You are allowed to make tee times 10 days in advance. Please remember to book all the slots to ensure that other club members don't book on top of your time when you are expecting a threesome, foursome or five-some. We hope you are enjoying the new EZ-GO golf carts. Please continue to check in the golf shop, sign your receipt for your golf cart and match up the key number with the cart number. The system is working out great and we appreciate your help with this important system.

See you at the Club, Derek Lafferty, PGA
