"The Marsh King's Daughter"
Karen Dionne

The Marsh King's Daughter is the mesmerizing tale of a woman who must risk everything to hunt down the dangerous man who shaped her past and threatens to steal her future: her own father.

Helena Pelletier has a loving husband, two beautiful daughters, and a business that fills her days. But she also has a secret: she is the product of an abduction. Her mother was kidnapped as a teenager by her father and kept in a remote cabin in the marshlands of Michigan's Upper Peninsula. Helena, born two years after the abduction, loved her home in nature, and despite her father's sometimes brutal behavior, she loved him, too...until she learned precisely how savage he could be.

More than twenty years later, she has buried her past so soundly that even her husband doesn't know the truth. But now her father has killed two guards, escaped from prison, and disappeared into the marsh. The police begin a man-hunt, but Helena knows they don't stand a chance. Knows that only one person has the skills to find the survivalist the world calls the Marsh King—because only one person was ever trained by him: his daughter.

Jonsson Picks Up Another Tournament Title

ERIE, COLO. October 3, 2023.....Senior **Tobias Jonsson** put the finishing touches on the sixth tournament title of his collegiate career on Tuesday when the Swede carded a 3-under-par 69 to stay stop the 100-man field at the Mark Simpson Colorado Invitational at the par-72, 7,787-yard Colorado National Golf Club.

Jonsson (-9) was solid throughout the event in northern Colorado, tallying below-par scores in all three rounds in holding off Colorado's Justin Biwer by a pair of strokes. He registered a quartet of birdies and just one bogey in Tuesday's final round.

Tobias Jonsson Named SoCon Men's Golfer of the Week & He Was Selected for the World Amateur Team Championship

ABU DHABI – Mercer Men's Golf was represented at the 2023 World Amateur Team Championship as **Tobias Jonsson** represented his home country of Sweden on October 18-21st. Tobias shot -1 and tied for 55th place.

GOLF COURSE NEWS

With November arriving, so are the colder temperatures and frost delays. Frost delays are put in place on the golf course to protect the grass from damage. Frost damage comes from when the leaf blade freezes not only on the outside, but the interior cell walls as well. The plant cells become brittle and walking or driving across the grass breaks and damages it. The damage may not be visible at first, but it is there and will become very visible in the future. Also, just because you don't have frost at your house or can't see it from the clubhouse doesn't mean we don't have any frost. Lower cut grass is the most susceptible. One of the main reasons for this is these areas receive the most concentrated traffic. Things like shade also influence the length of a delay, the more shade the more frost and we have plenty of trees producing shade at the Brickyard. Lastly regarding frost delays, the staff does not like frost delays any more than the members do. Please be patient and we will get you out on the course as soon as possible.

On the project side of things, the stream bank has been completed and turned out nicely. As for the bunkers, the new drains have been installed, shaping is complete, and sod has been laid. We are currently waiting for the capillary concrete to be poured. Once the capillary concrete has been poured the sand will be installed. The sand is already onsite we are just waiting on the capillary. The practice bunker, number 9, and number 14 will be completed this year with the others to be done starting in the spring/ early summer.

Going out of the growing season, I feel that the maintenance staff has done all that we can to go into winter dormancy and come out of the spring ready to grow. We have applied all fungicides, pre-emergent, pigment, and fertilizer to have a successful summer next year and the timing of all these is very important for the coming year. This winter if you are playing please be aware of the cart traffic and try to take different paths as you play.

Thank you all for being members at the Brickyard and as always,
Please remember to repair all ball marks and fill divots.

Golf Course Superintendent & General Manager

Golf Shop News

Daylight savings time ends at midnight on the 5th. There is still time to come out to the club in the late afternoon for a quick 9 holes. The winter hours of operations are: Golf Shop 7:30am-6:00pm, Practice Range 7:30am-6:00pm (5pm Sun) and the Golf Course 8am-7:00pm.

Fall merchandise has arrived and will continue throughout the winter season. The Brickyard Golf Shop continues to give our lower than retail Brickyard member pricing on merchandise. If there is a particular item that you would like to have, let Blair or I know, and we'll order it for you. Special orders for our club members are a common practice.

The 2023 "Brick Cup" points has been updated and the list is in the hallway of the Golf Shop. The end of the year Brick Cup Finale will be played on Saturday, November 11th with a 10am Shotgun Start. This will be a 2-man team Four-Ball Net Match Play event. The top 32-point earners have been contacted to play this event. This match will have the top 2-point earners as Captains. Dallas Malone finished 1st and Brad Thigpen finished 2nd in the Brick Cup Standings.

A Brick Cup Pairings Party is scheduled for Wednesday, November 8th at 6pm in the Pavilion. Come join us as this end of the year member event comes down to the Brick Cup Match. Enjoy the strategy in action as Dallas and Brad form their teams and will announce their head-to-head matches. Please join us for ½ Price Drink Specials.

The upcoming event in November, will be the "Black Friday" 2 Player Scramble Tournament. It will be Friday November 24th, with a 10am Shotgun Start. We had 36 teams in last year's event. Cost is \$120 per team; 2 person teams may be composed either by having two members or by having one member & one guest. Sign-ups begin Friday, November 3rd, and the tournament agenda will be posted and emailed out to the membership.

The Golf Shop will be having our weeklong "Black Friday Sale" beginning Tuesday, November 21st through the 26th. Nearly everything will have an additional discount off the Brickyard Member Price. Details will be emailed out several days prior to the start of the sale.

Please remember to call or cancel online your tee times if you're not using. Tee Times can be made 10 days out by either calling the golf shop or by reserving a tee time at our website. Make sure that when reserving your tee time, either through calling the golf shop or online, you book it for one, two, three, four or five players. This ensures that other members don't book on your tee time when you're expecting more players than what is booked.

Lastly, stop by, call, or email us or the ladies your most recent contact phone number information. We have experienced when calling members, the phone number on member profiles are no longer a working number.

See you at the course, Derek Lafferty, PGA Head Golf Professional

GOLF RULES

Test your knowledge of the Rules of Golf

The answers are on page 19.

- ◆ **Rule 6.2.b(5)** Player A is unable to find her ball after a 3 minute search. She returns to the teeing area to hit another tee shot under stroke & distance penalty. She drops a ball in the teeing area, the ball comes to rest in a very bad lie within the teeing area. As she addressed the ball, Player B told her she could have teed the ball up. Player A then tees the ball up and plays the hole out.
 - A) No problem. Thank you Player B.
 - B) Player A's ball was in play when she dropped it; therefore, she is penalized 2 strokes for playing from a wrong place.
 - C) In addition to the penalty in answer B, Player B receives a 2 stroke penalty for giving Player A advice.

- ◆ **Rule 11.26(2)** Player A & B are playing a match. Player B's ball lies on the putting green 5 feet behind the hole. Player A's ball is 15 feet above the hole. B asks A if he would like for him to mark his ball. A declined as he felt B's ball was no problem. A putts and his ball rolls past the hole and hits B's ball.
 - A) Player B must replace his ball, and A plays his where it came to rest, and is penalized 2 strokes.
 - B) Both balls are played as they lie, no penalty.
 - C) Player A loses the hole.
 - D) There is no penalty, A plays the ball as it lies, B must replace his ball.

- ◆ **Rule 20.1c(3)(4)** A player's ball lies in a rut made by a vehicle. Not sure if the rut is ground under repair, the player decides to play 2 balls and wants the 2nd ball to count. He plays the original ball from the rut, and plays the 2nd ball dropped as free relief from the rut. The original ball is hit on the green 2 feet from the hole, so the player decides not to play the 2nd ball. After play, the committee rules that the rut was ground under repair.
 - A) Player is disqualified for failing to hole out with the 2nd ball.
 - B) Player is penalized 2 strokes for playing a wrong ball as he was granted relief.
 - C) Score with original ball counts.
