Golf Course News

August was hot and dry at the course. Hopefully, by the time this update goes out, we will have received some much-needed rain from the forecast. With September here, we are beginning our fall preparations, including applying preemergent across the golf course and preparing to overseed the driving range tee and the par-3 tees.

Fall and winter preemergent applications are among the most important practices we complete on the course this time of year. All turf areas will be treated to help prevent weeds before seeds germinate. Timing is critical, and application rates vary by area. For example, greens receive lower rates but more frequent applications than other areas. Last year's program worked reasonably well, but using the same product year after year can reduce effectiveness. This year, we have changed products to keep the program effective. Because we are in the transition zone, poa annua has a long germination period, so we will rotate multiple products and applications.

The putting green is progressing well and is being mowed and rolled regularly. We are gradually lowering the height of cut and are currently at .140 inches. We hope to open it sooner rather than later—ideally within two to three weeks. Holes 14 and 7 tees are now open and doing well. Please help us by using the sand buckets provided to fill your divots, which helps the turf recover more quickly.

We will overseed the driving range and par-3 tees with a three-way perennial ryegrass blend. This work is planned for late September or early October, depending on the weather. Temperature and rainfall can significantly affect seed germination during this process.

Other ongoing work will include blowing leaves, cleaning beds, and continuing our mowing schedule for now. As of September 1, we have lowered the greens mowers to a .135-inch height of cut and will adjust lower or higher as needed.

We hope you enjoy your rounds at the Brickyard and thank you for your membership.

TEE TIMES: Please remember to Cancel All Unused Tee Times

All Club Members please make it a priority to remember to call the golf shop or cancel online your tee times if you're not using. Tee Times can be made 10 days out by either calling the golf shop or by reserving a tee time at our website. Continue coming in and signing in on the Daily Sign in Sheet at the golf shop. Lastly make sure that when reserving your tee time you book it for one, two, three, four or five players and enter all the players' names in your tee time. This ensures that other members don't book on your tee time when you're expecting more players than what is booked and should eliminate NO SHOWS on the daily tee sheet.

See you at the Brickyard, Derek Lafferty, PGA Head Golf Professional

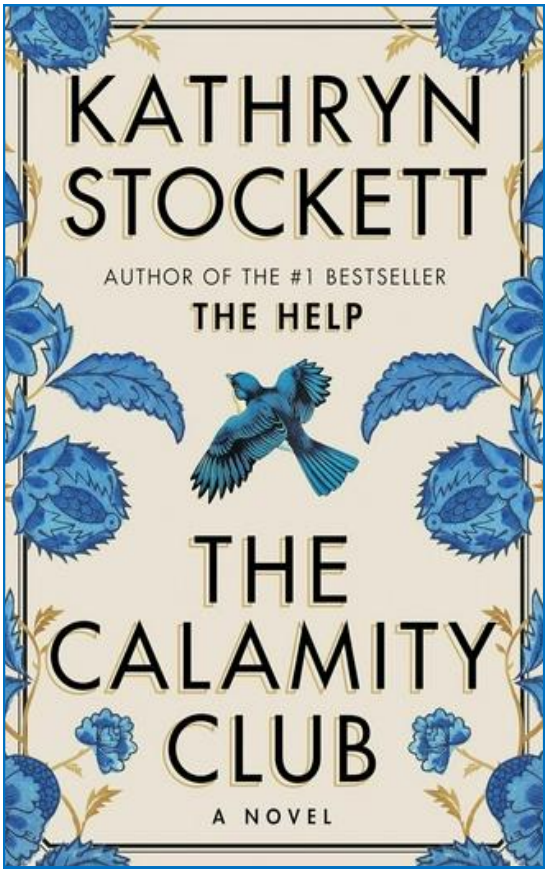
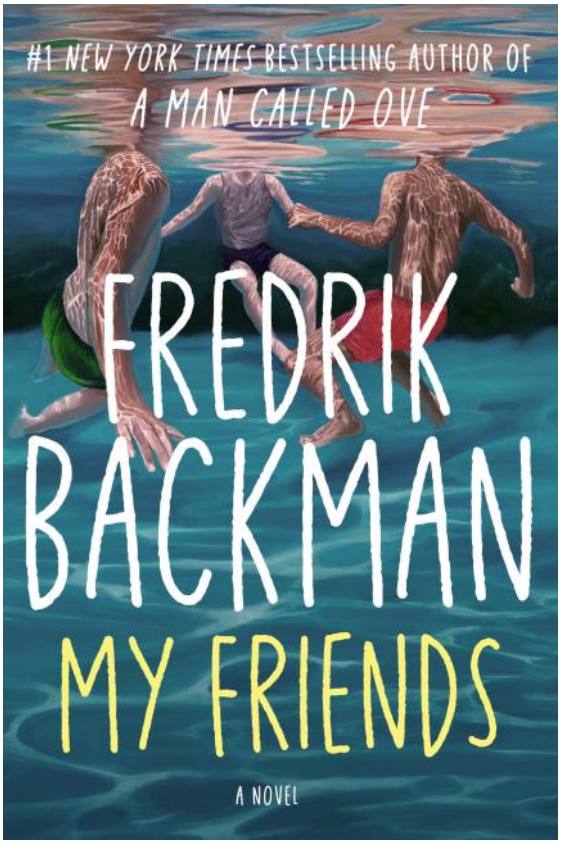
BOOK CLUB

THE CALAMITY CLUB by Kathryn Stockett

September 22nd at 5:30pm



The setting is Oxford in 1933. For two miserable years, 11-year-old Meg has lived in "the Orphan," a county asylum for parentless girls. Chairlady Garnett makes it her mission to ostracize the older girls she deems unadoptable, stigmatizing them as offspring of the "feebleminded" mothers who abandoned them. She particularly has it in for smart, sassy Meg, who refuses to believe her mother's mysterious disappearance was deliberate. Elsewhere in Oxford, Birdie Calhoun comes to visit her sister Frances, who married a wealthy banker, to ask for money on behalf of their mother & grandmother back in Footely. Frances isn't thrilled by this reminder of her impoverished small-town origins. But she's trying to climb up in Oxford society by volunteering at the Orphan, the asylum's books need to be done before the state inspector shows up in a few weeks & Birdie is a bookkeeper. Birdie & Meg become friends, Meg is adopted despite Garnett's best efforts, Meg's mother turns up at the Orphan demanding to know where her child is. Stockett might be making a point about Southern women facing facts and standing up for themselves, but mostly this is just a satisfyingly twisty tale that should make a great miniseries.



MY FRIENDS by Fredrik Bachman

Forever in Our Hearts: Remembering Angie

ANGIE DAVENPORT TRIBUTE

(Apart of the Brickyard Family since June 2022)

April 24th, 1956 – August 9th, 2026

"Angie's legacy is one of love, laughter, loyalty, and kindness. Her light will continue to shine in the hearts of all who were blessed to know her".

Angie was the kind of person you only come across once in a lifetime. There was something about her that was impossible to replicate: her outgoing personality, her spirit, and the way she could walk into a room and instantly make you feel more alive. Trying to put into words the kind of person she was would be unattainable, because so much of what made Angie special was simply in the way she lived. She had this incredible ability to make people laugh and she always had a story to tell, usually one so unbelievable you'd swear she just made it up. She never met a stranger and never shied away from an adventure, always saying or doing just about anything, making life a little more fun and a lot more memorable. She brought a kind of spontaneity and joy into the lives of the people around her that you don't fully appreciate until it's gone. The hole she leaves behind will be forever etched in the hearts of everyone who had the privilege to know her.

I, along with so many others, feel incredibly lucky to have known her, to have shared in her stories and laughter, and to have been a small part of a life that made such a lasting impression on so many people. She will be deeply missed, but the laughter, stories, and memories she gave us will stay with us forever. -Saige Whaley

I am grateful for the time we had with Angie and for the memories we shared. She was "one of a kind". I will miss our conversations, her beautiful smile, her quick wit and sense of humor. (She had Jokes!) It is difficult to imagine not seeing her riding around everywhere in her golf cart, whom she named, "Louise". She referred to "The Brick" as her happy place. She certainly made Brickyard Golf happy whenever she was around and now there is an empty space. She was more than a coworker, she was my dear friend whom I loved, and I will miss her deeply. Angie will forever be remembered, forever missed and forever loved. -Sharon
