Please note our policy while there is lightning nearby. For the safety of our members and their guests, when lightning is within a 5 mile radius, the Pro Shop will send a message to your cart letting everyone on the premises know that the course will be closed at that time. Everyone must leave the course once they have been notified. The clubhouse and the pavilion is your safe haven.

Thank you for your cooperation.

Golf Course Superintendent News

On the maintenance side of the golf course, we are seeing almost 100% coverage on Greens. I am pleased with the growth and health of the sprigs we put down 6 weeks ago. Now comes the fun part to start working on ball speed and uniformity.

Also, if you have been out to the club, you have seen the start and progress of the new and much larger Putting Green. Once the Putting Green has been sprigged the reshaping of the Range Tee will start. On top of that most of the Par 3 Tees will have new sod installed in the coming weeks and also the parking lot area and around the clubhouse will have new grass as well.

There are a lot of moving parts going on currently at the course and we look forward to catching up on everything and get back on the beautification of the native grasses, pine straw beds and other areas.

**Thank you all for your patience as we move
forward on our progress.**

Practice Facilities Renovations & Improvements

All Practice Facilities were closed effective Monday, July 26th; we apologize for this brief interruption. Work began by Southeastern Golf, Inc. of Tifton Georgia to enlarge the Putting Green to double its size. Dirt is being brought in to reshape the range and the brick wall and the synthetic pad have been removed. The range hitting area will be greatly expanded.

The golf carts are now staged at the rear of the Pavilion, adjacent to #10 tee and at the Pro Shop entrance. Please do not park any carts in front of the Pavilion or in front of the Clubhouse under the portico. Interference with construction equipment needs to be avoided.

If everything goes according to plan, and the weather cooperates, we expect an 8 week grow in period for the Practice Green and teeing area; around the October time frame. There will be a temporary practice area established sometime in August for irons only.

Thank you for your patience and understanding, as this is a short term sacrifice, for a long term benefit for all members.

August 24th at 5:30pm "Call the Midwife". At the age of twenty-two, Jennifer Worth leaves her comfortable home to move into a convent and become a midwife in post war London's East End slums. The colorful characters she meets while delivering babies all over London--from the plucky, warm-hearted nuns with whom she lives to the woman with twenty-four children who can't speak English to the prostitutes and dockers of the city's seedier side--illuminate a fascinating time in history.

September 21st at 5:30pm

A woman returns to her small southern hometown in the wake of her mother's sudden death--only to find the past upended by stunning family secrets--in this intimate debut novel, written with deep compassion and sharp wit.
