Golf Course Superintendent News

Sam Clark Gettin' Ready for the Holidays!!

Briane Faletto Class A Golf Course Superintendent

We hope everyone had a wonderful Thanksgiving and are looking forward to a Merry Holiday time. We have been busy on the course keeping it in top playing condition. We have started our annual tree removal and cleanup and will continue this throughout the winter months. We have also been busy keeping the course clean of debris. This is always challenging this time of the year. The Brickyard Golf and Grounds committee has developed a winter project list that we will be attacking all winter long as well.

I recently attended the Georgia Golf Course Superintendents Association Annual Meeting and Education Seminar. There are some great guest speakers who come in and tell us about all the research and updates on all different types of topics from weed control to tournament preparations. It's a continuing education seminar that helps us learn about new products and maintenance programs. There's also an awards banquet to recognize Hall of Fame inductees and other awards. I learn a lot from these and thank the Brickyard for providing me with these opportunities.

I hope to see you on the course!!!!

Ladies' Book Club

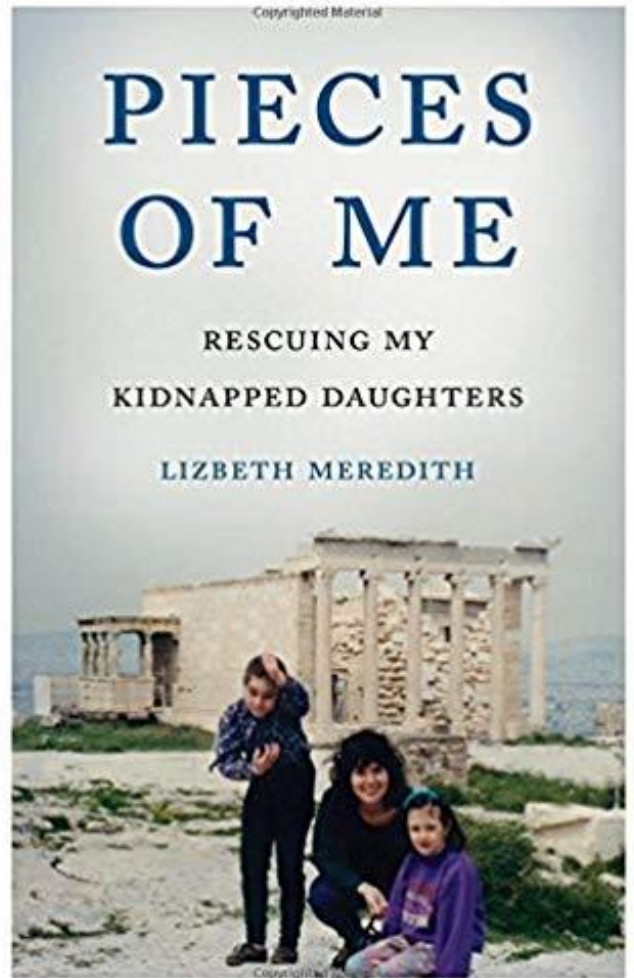

Join us for our Ladies'
Book Club!

The Book Club will be
meeting Tuesday, January 7th at 4:30pm. The

book to be featured is

"Pieces of Me" by
Lizbeth Meredith.

Please come out for fun,
friendship and fellowship!

Pieces of Me by Lizbeth Meredith

In 1994, Lizbeth Meredith said good-bye to her four and six year old daughters for a visit with their non-custodial father only to learn days later that they had been kidnapped and taken to their father's home country of Greece.

Twenty nine and just on the verge of making her dreams of financial independence for her and her daughters come true, Lizbeth now faced a \$100,000 problem on a \$10 an hour budget. For the next two years fueled by memories of her own childhood kidnapping Lizbeth traded in her small life for a life more public, traveling to the White House and Greece, and becoming a local media sensation in order to garner interest in her efforts. The generous community of Anchorage becomes Lizbeth's makeshift family one that is replicated by a growing number of Greeks and expats overseas who help Lizbeth navigate the turbulent path leading back to her daughters.

Welcome
