The Brick Cup

A new year is upon us and the Brickyard has an annual event called the Brick Cup series. What is the Brick Cup? It is a year long accrual of points for members who participate in tournament play. Members accrue points based on the number of tournaments they enter and how they play in those tournaments. At the conclusion of the tournament season, the points are added and the top five players receive awards and the top 32 point members are eligible to participate in a season ending team event for bragging rights and prizes.

The 2019 Brick Cup concluded on January 18th; the format was a Ryder Cup style match play event. Hoyt Stanfield's team claimed victory over David Steed's team with 5 1/2 matches won to David's team with 2 1/2 points. Hoyt's winning team consisted of Josh Carson, Ethan Huff, Wes Huff, Dallas Malone, Dex Schroeder, Bert Barnes, Ed Snow, Mike Johnson, Keith Hatcher, Kem Stuart, Brandon West, Steve Gurley, Conrad Massey, Charles Cook and Ken Clarke. All 16 members won a pair of Puma Golf Shoes.

Golf Course Superintendent News

Briane Faletto Class A Golf Course Superintendent

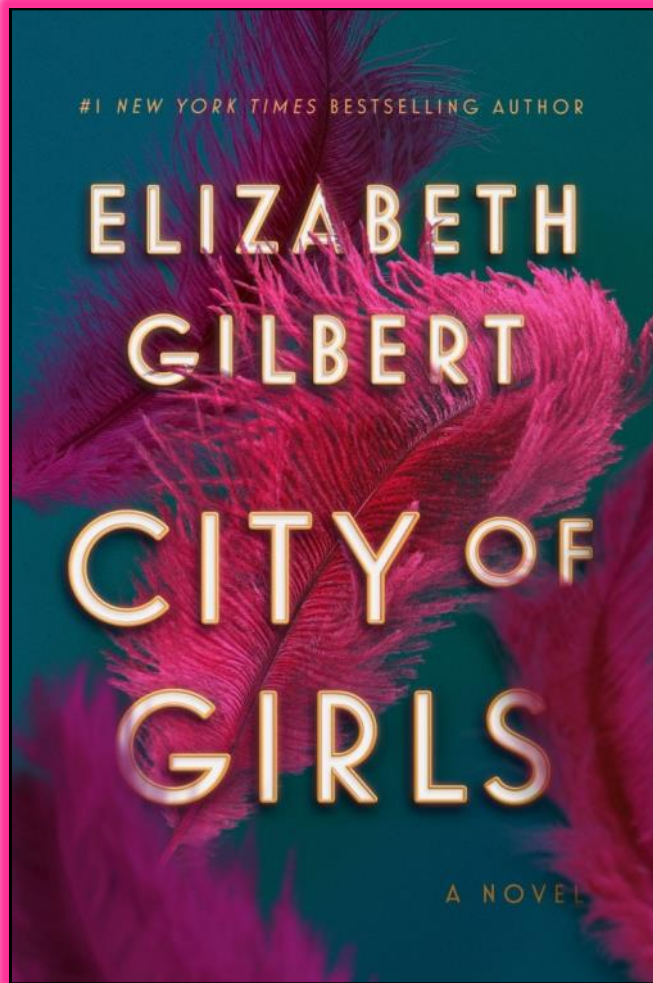

The Golf Course Maintenance department has been busy this winter getting the course ready for another great year of golf. In January we pruned a lot of trees, thinned some areas out by removing trees where they were over-crowded, and cleaned up a lot of the wooded areas on the course. We will continue this throughout February and hope to have a clean line of sight throughout the course.

This month we will continue with our pruning program and get some other winter projects completed. Some of these are: getting the area around #2 tee complex dried up and fix some of the drainage there, spraying the course for winter weeds, continuing with our bush hog and skid steer to clean up areas of the course.

On Tuesday, March 3rd, we will be spreading our spring fertilizer/pre-emerge. We will close the front nine down for a few hours, then close the back nine and open the front. This needs to be watered into the soil therefore we will be cart path only that day and on Wednesday, March 4th. This will ensure no damage to the spring growth.

We hope to see you out on the course!
