Brickyard Members,

Summertime is here and the heat has arrived. The golf course is in superb playing conditions. Please pardon our progress as we continue to improve specific areas on the course. The Men's Club Championship will be held on Saturday, June 8th and Sunday, June 9th. If you are interested in participating in the Men's Club Championship, please sign up in the Pro Shop. Also, I want to remind everyone the golf course will be closed on Tuesday, June 18th for the aerification of the fairways and greens. Contact the Pro Shop to get tee times at Idle Hour, Southern Hills, Southern Landings or the Green Valley group.

The Golf Shop has a great summer selection of merchandise. During June, all Titleist Golf Bags, Titleist Golf Balls and Footjoy Gloves are on sale at a 30% discount to Brickyard members.

Please contact the golf shop if we can assist you in any possible way and we look forward to seeing you on the course in the near future.

I hope everyone is staying cool during this heat spell. As of this writing we have not had any rain since May 12th and things are starting to dry up. When this kind of dry spell hits us we have to start being conservative with our water. We move water from all the ponds to the irrigation pond and start cutting back on the water in roughs. Hopefully we will get some rain soon. It's crazy how much changed from last year. We had almost ten inches of rain last May and only 3 inches this year, with that coming in 2 days. We have had no rain since May 12th and we have had 14 straight days of 90 degree temperatures.

We had an irrigation audit completed on our greens in May. We had representatives from Ewing Irrigation Company and RainBird come in and advise us as to some solutions for the lack of water on some areas of our greens, especially greens 1-5, 13, & 14. They suggested some new nozzles, with a lower trajectory and some that throw a further water curtain. We will install those nozzles as soon as they come in to improve our water efficiency.

We installed new Zeon Zoysia on some troublesome tees in May. We stripped the old sod, cleaned and leveled, added sand and then laid the sod. We then thoroughly soaked the sod to remove any air from under the sod to ensure good adherence to the tee top. We put some temporary tees next to the tee tops, sorry for this inconvenience.

A reminder that the course will be closed on Tuesday, June 18th for greens aerification. We will also be doing tees and fairways that week so we apologize for any inconvenience. This will help with the long term health of the turf!

See you on the course.

Briane Faleto, GCS

The Glass Castle by Jeannette Walls

A tender, moving tale of unconditional love in a family that, despite its profound flaws, gave the author the fiery determination to carve out a successful life on her own terms.

Jeannette Walls grew up with parents whose ideals and stubborn nonconformity were both their curse and their salvation. As the dysfunction of the family escalated, Jeannette and her brother and sisters had to fend for themselves, supporting one another as they weathered their parents' betrayals and, finally, found the resources and will to leave home.

What is so astonishing about Jeannette Walls is not just that she had the guts and tenacity and intelligence to get out, but that she describes her parents with such deep affection and generosity. Hers is a story of triumph against all odds, but also a tender, moving tale of unconditional love in a family that despite its profound flaws gave her the fiery determination to carve out a successful life on her own terms.

For two decades, Jeannette Walls hid her roots. Now she tells her own story.
