Please note our policy while there is lightning nearby. For the safety of our members and their guests, when lightning is within a 5 mile radius, the siren will sound letting everyone on the premises know that the course will be closed at that time. Everyone must leave the course once the siren has been sounded. The clubhouse & the pavilion is your safe haven.

Thank you for your cooperation.

The Greens will be aerified on Monday & Tuesday May 11th & 12th. Please contact the Pro Shop for Tee Times at our Reciprocal Clubs. Please Pardon our Progress.

Message From The President

Since golf is a fresh air game, we are happy that we have been able to remain open during the COVID-19 crisis. We value your safety and health as more important than anything else and the following guidelines are in place to protect all members and our staff.

- * The Clubhouse is closed; The Pro Shop is open for check-in purposes and the locker rooms are open.
- * No more than 10 people are allowed in the Pro Shop or Pavilion at one time. Social distancing is required.
- * Outside seating (with umbrellas) is available at the Pavilion.
- * All guest play and reciprocal play is suspended.
- * Every golfer is required to sign a COVID-19 Waiver of Liability & Indemnification.
- * Only one person per cart, except family members. The entire golf cart is being pressure washed with soap & water following each round.
- * All sand rakes, ball washers, water coolers, practice green flags and sand bottles have been removed from the Golf Course. The cups have been installed upside down and the flagsticks must remain in the hole.
- * The golf course, practice facilities and the pavilion are now open on Mondays starting at 12pm.
- * The facilities are cleaned regularly, as well as surfaces, counters and door knobs.

Your safety and health is of utmost concern, we appreciate your cooperation and support. We are all in this together and therefore everyone must do our part in allowing us to remain open and for golf to be a viable opportunity to get out and enjoy the fresh air.

Has Been Postponed to August 14th-16th 2020

In response to the recent Executive Order from Governor Kemp enacting a statewide shelter in place order through April 30th, we are currently planning for a pool opening, but do not have a specific date as of now. Following the guidance given to us by public health officials and government agencies, we plan to open the pool as soon as it is safe to do so. Look for emails during May for developments on this important Club amenity.

Golf Course Superintendent News

Briane Falletto Class A Golf Course Superintendent

I hope everyone is staying safe during these crazy times. I hope we get back to normal soon! It is great seeing everyone enjoy the course though! We have been busy keeping the course in the best conditions possible. Last month we were able to repair some weak areas of turf and put some new sod in. We still have some small areas to do and we will get to them soon. The greens are in good shape going into the hot summer. Our water levels in the ponds are good. The tree pruning is finished for now and we will pick back up in the winter. This month we hope to install 2 new irrigation heads on #13 to keep the grass watered properly on the right side of the cart path.

Please remember to adhere to the 90 degree rule and follow the cart path as long as you can before going out to the fairway. This will help reduce the cart traffic and preserve the turf. With everyone riding in separate carts I have noticed more worn out areas from carts, see the picture above as an example on #17. Thank you for your cooperation.

Brickyard Ladies Book Club & Golf Course Images

The Book Club will be meeting Tuesday, June 16th at 5:30pm. The featured book is "Ponzi's Scheme" by Mitchell Zuckoff. Please come out for fun, friendship and fellowship!

It was a time when anything seemed possible—instant wealth, glittering fame, fabulous luxury—and for a run of magical weeks in the spring and summer of 1920, Charles Ponzi made it all come true. Promising to double investors' money in three months, the dapper, charming Ponzi raised the "rob Peter to pay Paul" scam to an art form. At the peak of his success, Ponzi was raking in more than \$2 million a week at his office in downtown Boston. Then his house of cards came crashing down—thanks in large part to the relentless investigative reporting of Richard Grozier's Boston Post. A classic American tale of immigrant life and the dream of success, Ponzi's Scheme is the amazing story of the magnetic scoundrel who launched the most successful scheme of financial alchemy in modern history.
